Tony found a Pigeon slim,
and it jumped and flyby him,
Tony walked on to the factory place,
Lay a wrong tool in a case,
Tony was the quite nut and spanners,
he swung the rut without manners,
Gerha kicked and screamed,
Tony blinded by the beam.
John D smashed it on the floor,
that he called a score,
lil tough angry kid he be,
it all seen by the Huckabee.
Lil Dubya pick it up and stare,
Why o Why this thing be there,
Lil Dubya took it home,
Dragging his feet as he roam,
Sat by his bed and think aloud,
Wish this take me to the cloud,
Came the Pigeon to his window sun,
'You and sweet are all the fun'.
